SENIORS

The Class of 1971

The Senior Class started its last year by electing as officers:

President . . . . . Susan Hopple
Vice President . . . . . Dennis Paucke
Treasurer . . . . . Betty Jo Sweeney
Secretary . . . . . Patty Ryan
Advisers . . . . . Mr. Cropf and Mr. Day

and by selecting the following:

Motto: "Today is the first day of the rest of our lives."
Song: "We've Only Just Begun"
Flower: Yellow Rose
Colors: Emerald green and gold

The class of '71 entered their float in the Homecoming parade and won first prize.

Later in the fall they teamed with the juniors to stage the Junior-Senior Variety Show, The B. Ogelthorp Persimmons Show. It was a huge success both nights.

Through the year they ordered senior pictures, name cards, and announcements.

The year ended with the Junior-Senior Prom, sponsored by the juniors; Class Day, Baccalaureate, and, of course, Graduation.

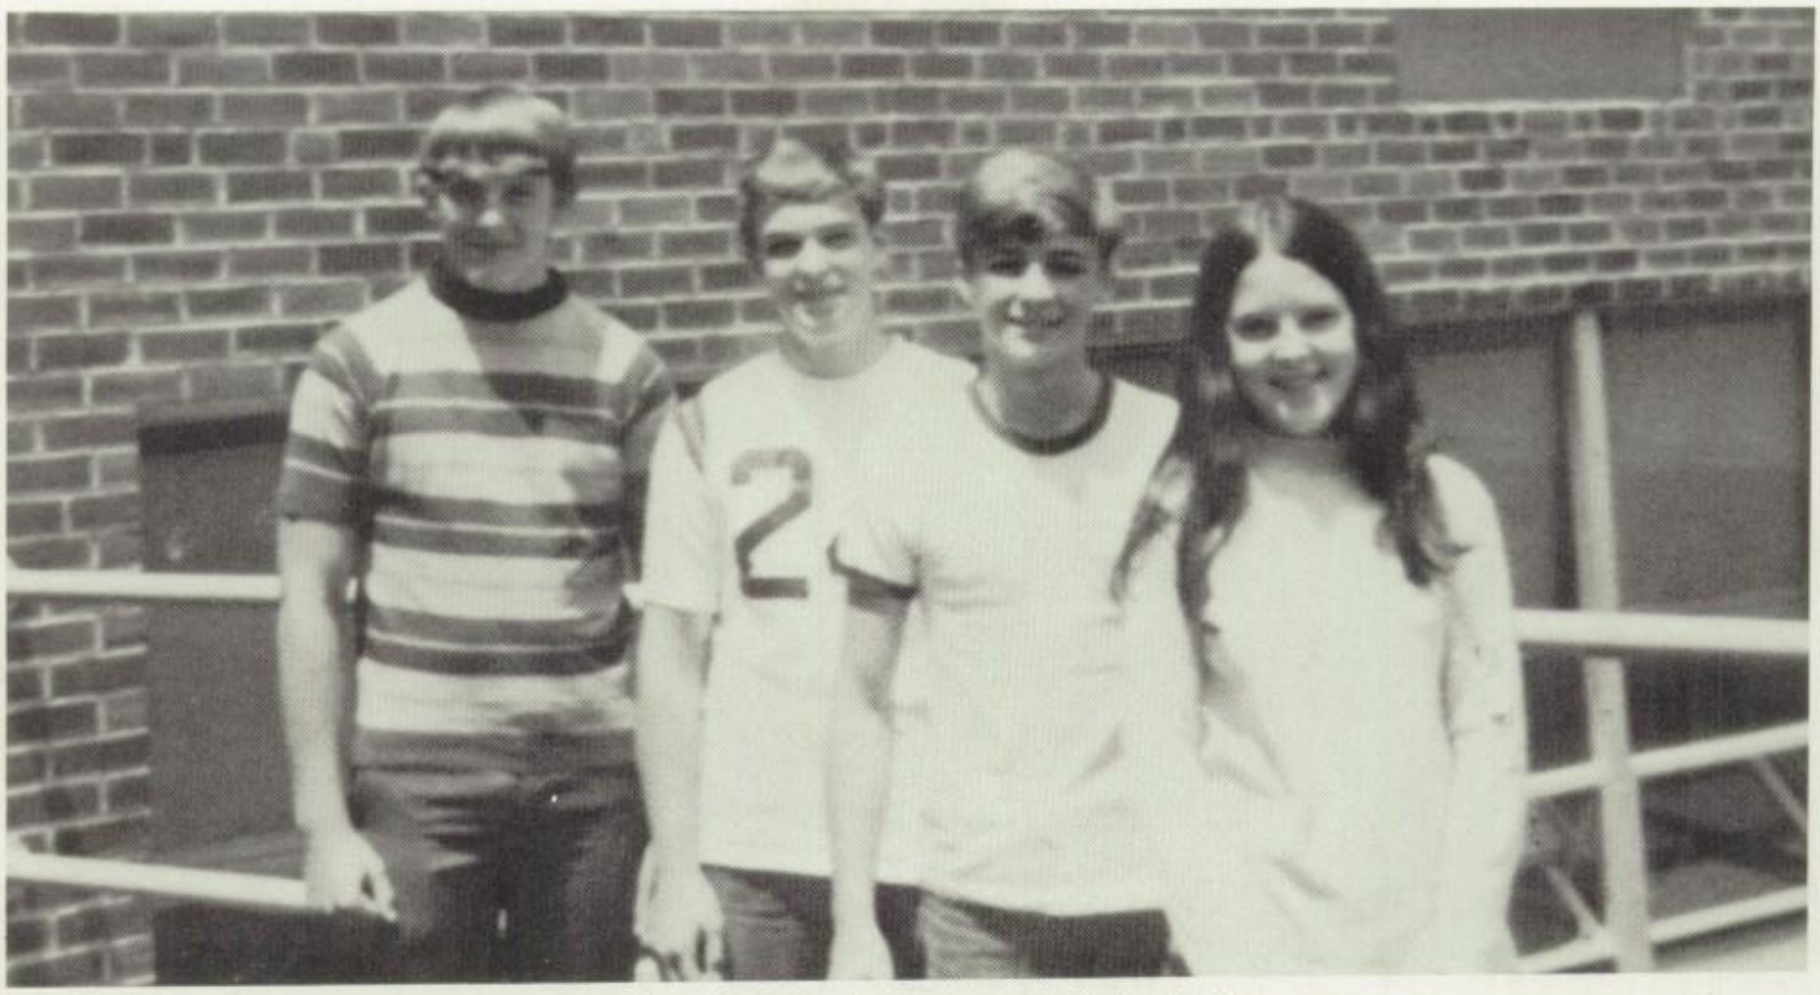
UNDERCLASSMEN

Freshman Class



First Row: D. Baier, C. Kephart, T. Bierly, B. Thompson.

They were the greenies, the shorties, and the itty-bitty-Freshmen. They had a hard time getting adjusted to the new cheers, their new teachers, and all the upperclassmen; however, they established themselves as one of the active classes in the school. To raise money they had a bake sale and sold candles.

The Freshman Class elected the following officers:

President . . . . . Daniel Baier

Vice-President . . . . . Thomas Bierly

Secretary . . . . . Barbara Thompson

Treasurer . . . . . Carl Kephart

Their class advisers were: Miss Gorgas, Mr. Rombach and Mr. Smith.

Is this Dr. Kleckner's math class?

Mathematics, including arithmetic, algebra, geometry, calculus, etc., deals with measurement, properties, and the relationships of quantities. To some this may seem far removed from reality, but we know these courses train students to become accurate and precise.

Seated: Miss Kris. Standing: Mr. Cropf, Mrs. Rummings and Mr. Aldenderfer were absent when the picture was taken.

Miss Young

With countries being drawn closer and closer together, the ability of students to communicate with other peoples has become increasingly important. Studying a foreign language enables them to become familiar with the spoken and written foreign language through drill work and dialogues in everyday situations.

Reading

In first grade, or even before, we learned to get meaning from the printed word. As we progressed, our vocabularies expanded and we learned to interpret what we read. Our literary knowledge is being improved today by the use of new materials and modern equipment.

Library

Miss Schlotman, Mrs. Copp, librarians

The library is a very important part of any school. Here we studied in a quiet atmosphere, read magazines, did research, or just browsed. We often called upon the librarians for help.

With Mr. Hart back at the helm, this year's football team had a 5-4-1 season. An experienced team of 20 veterans led the way from a 2-4 deficit to win 3 of its last 4 games, while tying only with BEA in the last game. With the potential of this year's team, given a few breaks here and there, the season would have been different altogether.

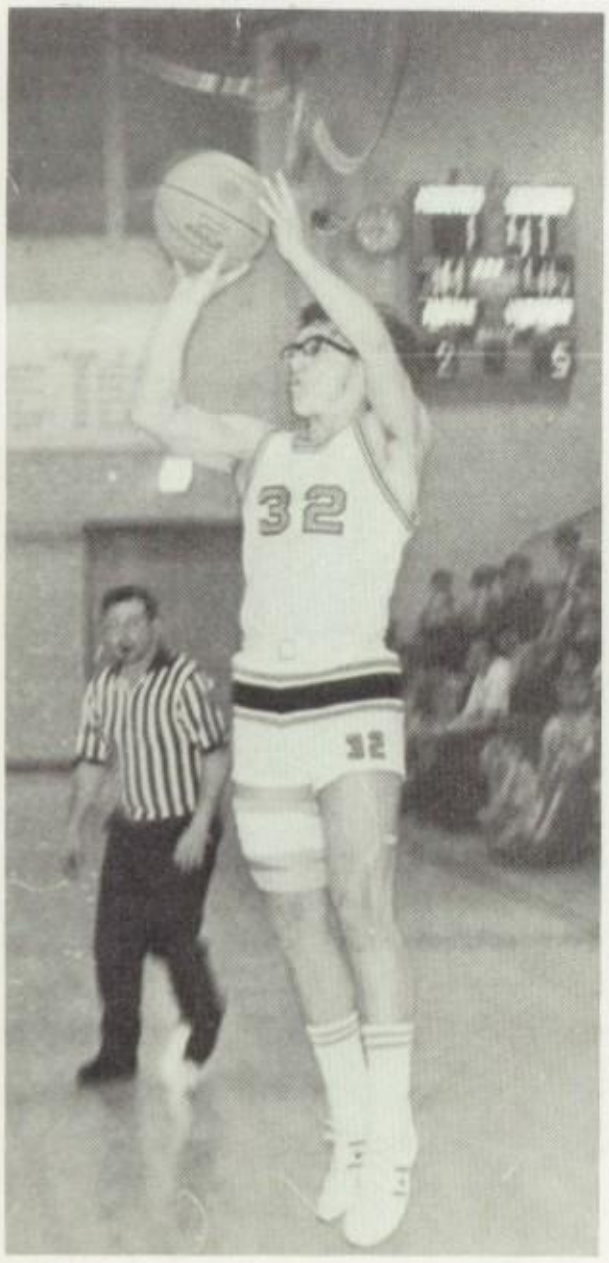
Tim for two.



Mr. Graff once again had a fine season by winning 17 and losing 6. Coach Graff used many more offenses and defenses because he had only two men over 6 feet. The only veterans, Joe Grieco and Steve Lehman, also co-captains, led the team consisting of eight seniors, four juniors, and two sophomores to its second winning season in a row. Our team once again made the District play-offs, but lost to the much taller and undefeated team of Tyrone. The team was third behind State College and Lock Haven in the Central State League.

High scorer for the season was 5 foot 11 inch junior, Steve Lehman, with 240 rebounds. Outstanding achievers for our team were Joe Grieco, first team Central State League; and Steve Lehman, second team.

Coach John Anderson's J.V.'s for the second straight year in a row had a fine season by winning 12 games while losing only 8. Sophomore Mike Thomas led the J.V.'s in scoring with 211 points. Wayne Shoop led in rebounds with 186.

In a post-season game, once again the varsity beat the faculty by a score of 52-51.

Coach Laub did an excellent job guiding our remarkable wrestling squad to their first undefeated season with a 13-0-1 record.

At the B-E-N Tournament the powerful Bulldogs pulled through three champions—Gary Rauch, 127; Dennis Kershner, 133; and Jeff Lister, 145. Gary Rauch, 127; Dan Muthler, 138; Jeff Lister, 154; and Dan Hartranft, 165; all were sectional champs. Advancing into districts were Gary Rauch and Dan Muthler, who did a superb job for our school. Powerful Muthler made it through the Regionals; however, we lost Gary as a Regional runner-up. Dan then became our first two-time PIAA State Champion ending Jersey Shore's finest wrestling season.

Coaches Herter and Young led our Junior Varsity and Junior Varsity B teams to a winning season of 8-5-0 and 5-1-0 respectively.

Under the fourth year of guidance by Mr. Shuman, the 1971 track team had another fantastic season with a record of 14 and 3; the losses coming only from powerful Class A schools.

The highlight of this year's track season was the producing of a State Champion, Joe Feerrar. In the State finals Joe tossed the javelin 211 feet for first place honors, and Enos Kimball took a third place in the 440 yard dash. With many of the lettermen returning next year, we are looking forward to an even better season.

Dick Blythe, editor of this year's yearbook, along with the remainder of the staff, worked very hard to prepare the 1970-71 Orange and Black.

The yearbook got under way with the soliciting of advertisements and subscriptions. As progress continued, write-ups of the clubs, organizations, activities, and sports were planned and laid out until all that was left were the final touches before it was published.

Mrs. McCarrick and Miss Gorgas, the advisers, provided much help to the members of the staff.
